Welcome from the Pastor

Good morning!

I am so glad that you have chosen to worship with us today. I know you could be other places, doing other things (think: little Jonny's baseball game or little Suzie's soccer match). But I promise you, there is no better place to be than right here, right now.

Psalm 84:10 reads, 'Better is a day in Your house than a thousand anywhere else.'

That sounds unbelievable, doesn't it? How can that be true?

It's true because God does unbelievable things in our lives and in our families when we gather together to worship Him and learn from His Word. That's why there is absolutely nothing better you could do with your time and energy this morning.

So, welcome to God's house this morning. There is no better blace on earth.

Joel Davis
Senior Pastor
